Come home to the modern peace of mind that this double storey house provides - in a complex of just four and offering flexible low maintenance living options.

It's all right here - with a generous single car garage providing secure internal access inside (along with rear access for the laundry). Once indoors, you'll love the clean lines and modern look of the tiled open plan living area. At one end, the kitchen offers a sit-up bench, stainless steel appliances and gas cooking, while entertaining is made easy with direct access out to a private, sunny courtyard from the living area.

But the downstairs story isn't complete yet. A full bathroom resides on this level - with freestanding bath and separate shower, as well as a bedroom that offers a walk-in wardrobe. In fact, for a single person or couple, it's possible to live entirely on this level!

Upstairs, two more generously sized bedrooms await - carpeted and including excellent built-in wardrobes. Another modern bathroom services this level, while vertical blinds dress the windows and downlights illuminate throughout.

The final star of the show here is location - just a few hundred metres from Albion Park train station and offering easy access to Shellharbour's shopping or Wollongong's CBD. Plus, with the current highway bypass underway, this area looks set to enjoy a quieter future - a positive for long term buyers.

Don't miss out on this modern, low-maintenance opportunity. Contact the Dimosons Sales Team today on 4258 0088.

## About Albion Park Rail

Albion Park Rail is a suburb of Shellharbour, situated in the Macquarie Valley (Shellharbour). The South Coast railway line was opened to the railway station and Bombo in 1887. At the time the nearest town was Albion Park, several kilometres away. Over time, houses were built around the railway station, and Albion Park Rail developed into a town in its own right, and with its own name.

Albion Park Rail has a community area set up with a community centre, playing fields and a recently built skatepark. Albion Park Rail is located along the shores of Lake Illawarra, near Koona Bay. It is a fifteen-minute drive on the freeway to Wollongong.

Albion Park Rail is the site of the Illawarra Regional Airport which is the location of the Historical Aircraft Restoration Society.
